

13<sup>th</sup> January 2012

Dear Parents,

### Choir

Mr Suckling, our excellent music teacher, is proposing to start a **lunchtime choir**. The choir will run on Thursday lunchtimes as this is the day he is in school. We realise this will clash with Rock School, but it is the only opportunity. The club will be subsidised, but there will be a small charge; I am anticipating about £3 a term, but it will depend on numbers. The club will be open to pupils from Year 2 upwards as they will have the reading skills necessary to cope with song words and more complex tunes.

If your child is interested in joining please fill in the expression of interest form below and we will let you know the full details when we have collated the replies. All we ask is that each child attends regularly.

We are pleased to be able to add another club to our already extensive range of out of school hour's opportunities. On the subject of clubs, **we are in the process of booking a further 'Mad Science' club** for after Easter as the first one was so popular. We will keep you informed.

Yours sincerely,

Mary Barnett

---

My child \_\_\_\_\_ in Year \_\_\_\_\_ would like to take part in the choir.
