Dear Parents

**Re: After School Activities**

**Science**

The Science Club which will be starting after half term, has had such a positive response that to ensure that no one is disappointed we have organised the use of another classroom and another teacher to be provided. All those that expressed an interest will be hearing from 'Toxic Tom' before the end of next week.

**Art**

This has also had a very large take up. Due to the large number of children already attending we will now have to start a waiting list for anyone else who is interested. I've had several queries asking how much the club is. A member of staff is giving their free time and we are using School resources so the club is free.

If your child is interested in any of the activities available in School, please contact the School Office.

Hotshots Basketball	KS1 & KS2
Recorder	KS2 (free)
Strings	KS2
Woodwind	KS2
Brass	KS2
Orchestra	KS2
Judo	KS1 & KS2
Football	KS1 & KS2
French	KS1 & KS2 (free)
Science	KS1 & KS2
Art	KS1 & KS2 (free)
Rockschool	Yrs 4,5,6
Guitar	KS2

If you are interested in setting up a club please let us know.

Regards

Anne Carter  
Secretary
