

5th October 2011

Dear Parents

Re: School Photographs – Thursday 13th October 9am onwards

At Parents request we are alternating between the informal and formal annual photographs. This year will be the formal individual and class photos.

As in previous years we welcome the pre-school to have their photos taken at 9am both individually and with their older siblings.

Please ensure that your child is in full school uniform (including jumper/cardigan). If you wish you may provide them with a hair brush in their book bag.

If you have any queries with regard to this matter, please do not hesitate to contact us.

Yours sincerely

Anne Carter

Secretary
