Dear Parents,

DB Primary – Our Virtual Learning Environment

I am conscious of the fact that the parents' pages have not yet progressed. This is mainly due to the fact that the responsibility for creating this space has been part of Mr Coles' (and my) job. We have spent our time and energy recently on the Maths actions and information evenings and this has left little time to do anything with DB.

At the very least there will be online reporting as soon as the end of term assessments are complete. The format will be similar to the one in the Record of Achievement Files. As soon as time allows there will be more information on the Parents Pages.

Parents of pupils in the Reception class have not yet had the opportunity to ask for user names and logins to DB. If you would like to have these please fill in the slip below and I will create them for you. We suggest a user name of first initial and surname e.g. Joe Bloggs will be jbloggs. We issue a temporary password which can be changed at first login.

Yours sincerely,

Mary Barnett
Headteacher.

Please could you issue me with a login and temporary password for DB Primary. My user name is

.....

Signed.....(Please print)
