

14<sup>th</sup> November 2011

Dear Parents,

### **Public Sector Single Equality Duty**

All schools are required to publish equality information by the end of the year. As part of this process an audit of the school's current position has to take place. To make this a representative document a working group consisting of parents, governors, staff and pupils needs to be set up. If you would like to be a part of this working group and can give up some time to meet I would be glad to hear from you. I think that two parents would be sufficient and I anticipate we will need to have two meetings in order to conduct the audit. Meetings will need to take place in the evenings, or after school, depending on the availability of the participants. Should several people be willing to help we will draw names 'from a hat'. Dates and times will be decided when we have a working group, but will need to be in the very near future in order to meet the deadline.

### **Academy Status**

The Diocese of Peterborough is keen that all church schools explore the possibility of becoming Academies. A meeting has been arranged for the 23<sup>rd</sup> November at 7.00 p.m. at Greens Norton Primary School. All schools are invited to send representatives from the parent, staff and governing bodies. If you are interested in coming to the meeting to represent the parent body please will you let me know?

Many thanks.

Yours sincerely,

Mary Barnett
