Dear Parents

**Re: Free School Meals**

Please be reminded that if you are receiving benefits or are on a low income you may be eligible for Free School Meals. If you qualify this may open up other avenues of financial assistance and links to professionals that will be able to assist in other areas. The School is given a level of funding to assist those pupils who qualify with the cost of School activities and trips so please take the time to do the assessment.

All you need to do is log onto the Northamptonshire County Council Website and type 'Free School Meals' into the search box.

If you do not have access to a computer please contact NCC via telephone 01604 236236 between 8am and 6pm. Or contact me in the School Office.

Yours sincerely

Anne Carter  
Secretary
