Dear Parents

Re: Afterschool Care – KIDSSTOP

I can confirm that Nicola has agreed to continue arranging pick up from us at Blakesley and taking pupils to Blisworth up until the end of term, 16th December.

Since my last letter Nicola has visited our new Village Hall, she was very impressed with the space and facilities and feels it would be the ideal place to run the club. She would need at least 4 children each day to cover her basic running costs.

I have had several responses since my last letter but not enough at present to justify the club opening up locally. As I have said before it would be a shame to lose this asset, it would also be nice to support our new Village Hall.

I attach another slip so if you are interested in child care please complete and return as soon as possible.

Yours sincerely

Anne Carter
Secretary

I am interested in after school care. The days and hours I would require are:
